Subject: Avoided Cost Purchases from Qualifying Facilities Less Than 1 MW and Over 1 MW - Docket Nos 03-035-T10 and 03-035-14

On 19 February 2004, the Committee of Consumer Services notified the Public Service Commission that it would submit comments on PacifiCorp's 23 January 2004 Schedule 37 filing. Due to the similarities in PacifiCorp's avoided cost methodology for Schedules 37 and 38, and outstanding data requests on both issues, the Committee expects to file Schedule 37 comments and Schedule 38 direct testimony contemporaneously on 9 April 2004.
