Subject: RE: Notice of 30(b)(6) Deposition to Comcast

Dave, Angela and Genevieve:

As I discussed yesterday with Dave, our sincere goal is to arrange a mutually convenient date and efficient deposition process with you. To that end, we ask that you let us know who Comcast's designees would be at your earliest convenience, and when they might be available. We have a potential interest in deposing Marty Pollock and Sheryl Pehrson, but do not want to note their depositions if they will either be your designees or your designees will sufficiently cover the processes and communications in which they appear to have been involved. Finally, we may also want to depose Steve Brown.

Angela, I owe you a phone call, and will call you shortly.

Charlie
