Comcast Cable Communications, Inc. (“Comcast”), hereby moves the Public Service Commission of Utah (the “Commission”) to enter a Protective Order applicable to the above-captioned docket in the form attached hereto. The grounds for this Motion are as follows:

1. The parties have requested information from each other that is proprietary in nature. It is likely that additional data requests will be filed, including from the Department of Public Utilities. The entry of the proposed Protective Order will expedite and facilitate the exchange of information by the parties by affording protection to valuable confidential, trade secret and proprietary information.

2. The entry of the proposed Protective Order will afford protection to the Commission as well as parties who might review the information and subsequently be requested to reveal its contents inasmuch as the proposed Protective Order sets forth clear parameters for use of confidential information.

3. The entry of the proposed Protective Order will also enable the Commission to adequately review the information which is provided pursuant to the Protective Order so that it may have sufficient background upon which to make decisions.

4. The proposed Protective Order is fair and equitable to all parties.

5. The proposed Protective Order is substantially the same as the Orders entered by the Commission in prior dockets.

THEREFORE, Comcast respectfully requests that the Commission enter the Protective Order in the form attached hereto.

**RESPECTFULLY SUBMITTED** this 8th day of March, 2004.
