BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

IN THE MATTER OF THE APPLICATION OF PACIFICORP FOR A CERTIFICATE OF CONVENIENCE AND NECESSITY AUTHORIZING CONSTRUCTION OF THE CURRANT CREEK POWER PROJECT	PETITION TO INTERVENE OF DESERET GENERATION & TRANSMISSION CO- OPERATIVE
	DOCKET NO. 03-035-29

Pursuant to Utah Code Ann. § 63-46b-9 and Utah Administrative Code R746-100-7, Deseret Generation & Transmission Co-operative ("Petitioner") hereby petitions for leave to intervene in these proceedings.

In support of this petition to intervene, Petitioner states as follows:

1. Petitioner operates wholesale generation and transmission facilities within the State of Utah and is a Utah public utility. Moreover, Petitioner submitted bids in response to RFP-2003A issued by PacifiCorp.
2. The Application in this Docket seeks approval of PacifiCorp's determination that its self-build proposal is the most economical option when compared to all RFP responses for at least one category of requested resource. It also requests a determination that the proposal is in the public interest and will not adversely affect any other public utility. The legal rights and interests of Petitioner may thus be substantially affected by this proceeding.
3. Petitioner has not determined the positions it will take in this matter, and seeks to intervene in order to protect its interests as they may appear.

4. The interests of justice and the orderly and prompt conduct of this proceeding will not be materially impaired by allowing Petitioner to intervene.

5. Notices in this proceeding should be sent to the following:

David F. Crabtree, # 5459

General Counsel

DESERET GENERATION &

TRANSMISSION CO-OPERATIVE

10714 S. Jordan Gateway, Suite 300
