Dear Commissioners:

Attached are Desert Power Late-filed Exhibits 1 through 4 that respond to the Commission's September 1, 2004 letter to the parties in Docket No. 04-035-04. All four exhibits have been reviewed and accepted by the parties listed on Exhibit 1 and we request that the Commission receive them as part of the record in this proceeding. We will file a signed copy of the contract between PacifiCorp and Desert Power for your approval as soon as it is available.

Best regards,

CALLISTER NEBEKER & McCULLOUGH
