By Motions filed November 29, 2005, PacifiCorp requests the Commission to extend the filing dates for reports to be made by the Forecasting Taskforce and the Filing Requirements and Discovery Taskforce. PacifiCorp states that the reports are near completion, but additional time is needed to permit final preparation of the reports to incorporate all taskforce participants' views and comments and for participants to have time to review the finished report and prepare any additional comments. PacifiCorp asks that the filing date for the Forecasting Report be set for December 15, 2005, and for the Filing Requirements and Discovery Report to be January 15, 2005. PacifiCorp notes that either all participants support the extension request or have no objection to the request.

Wherefore, based on the foregoing, the Commission enters this ORDER

1. Granting the Motions for Extension.
2. The Forecasting Taskforce Report may be filed on December 15, 2005.
3. The Filing Requirements and Discovery Taskforce Report may be filed on January 15, 2005.
