

UAE Data Request 3.1

Please provide copies of all documents reflecting or relating to internal resource planning or related processes leading up to PacifiCorp's ultimate decision to construct the Currant Creek plant. Please include board minutes, board presentations, management briefings, correspondence, internal correspondence or email, and any other documents created at any time since 1995 that reflect or relate to PacifiCorp's projected resource needs in or after 2000, the projected timing of such needs, reasons for selecting or approving the Currant Creek project, reasons for not selecting other resources, explanations for the timing of the RFP, resource evaluation or project construction, explanations for why projects were not pursued or begun sooner, etc.

Response to UAE Data Request 3.1

PacifiCorp objects to this request on the basis that this request is voluminous and burdensome. Notwithstanding this objection, PacifiCorp states as follows. The entire information provided in the Currant Creek certificate of convenience and necessity process is available for inspection at the Company offices, upon reasonable notice. Some of this material is designated highly confidential and requires bidder notification before it can be released. PacifiCorp has provided notice to short-listed bidders in the 2005 Resource Category.
