

**BEFORE THE  
PUBLIC SERVICE COMMISSION OF UTAH**

In the Matter of the Application of PACIFICORP for Approval of Its Proposed Electric Service Schedules & Electric Service Regulations	DOCKET NO. 04-035-42  <b>MOTION FOR EXTENSION OF TIME TO FILE COST OF SERVICE TASKFORCE REPORT</b>
------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------

PacifiCorp hereby moves the Public Service Commission of Utah (the “Commission”) for an extension of time to file the Cost of Service Taskforce Report. In support of this motion, PacifiCorp represents as follows:

1. On February 14, 2005, PacifiCorp filed a Motion for Approval of a Stipulation Regarding Revenue Requirement, Rate Spread and Rate Design (“Stipulation”). Parties to the Stipulation included PacifiCorp, the Division, the Committee, UIEC, FEA, AARP, and the Kroger Co. On February 25, 2005, the Commission issued its Report and Order approving the Stipulation.

2. In Paragraph 16 of the Stipulation, the signatories agreed to the formation of a task force to discuss generation-related cost of service and cost allocation issues and customer charge and rate design issues (“Cost of Service Taskforce”). The Cost of Service Taskforce is to submit a report to the Commission by November 15, 2005. Parties are permitted to file replies to the November 15, 2005 report by November 30, 2005.

3. Since approval of the Stipulation, the Cost of Service Taskforce has met approximately once a month to discuss the issues within the purview of the taskforce. At the last taskforce meeting, the parties discussed the content and form of the report to be filed on November 15, 2005. Parties stated a preference to include proposals and responses in a single

submitted report rather than filing a report and replies to the report. No party expressed any objection to the extension.

4. In order to permit the filing of a joint report with comments on the various proposals and parties' positions, PacifiCorp moves that the Commission extend the filing of the Cost of Service Taskforce report from November 15, 2005 to December 15, 2005. All parties to the Stipulation, except for Kroger, are also participants in the Taskforce process and did not express any objection to the requested extension. PacifiCorp is authorized to represent that Kroger does not object to the request for extension. Other participants in the Taskforce, UAE and SLCAP, who are not signatories to the Stipulation, also expressed support for the extension.

#### **CONCLUSION**

WHEREFORE, PacifiCorp respectfully requests that the Commission grant this motion and extend the date for the filing of the Cost of Service Taskforce report from November 15, 2005 to December 15, 2005.

RESPECTFULLY SUBMITTED this 9th day of November 2005.
