In the Matter of the Application of)
PacifiCorp for Approval of its Proposed) DOCKET NO. 05-035-102
Power Cost Adjustment Mechanism) ORDER GRANTING EXTENSION
)

ISSUED: May 19, 2006

By The Commission:

By Expedited Motion to Revise the Schedule for Response to the Motion to Dismiss, filed May 18, 2006, the Division of Public Utilities and the Committee of Consumer Services requested additional time to respond to the Motion to Dismiss PacifiCorp's Application for approval of a Power Cost Adjustment Mechanism (PCAM), filed May 10, 2006, by the Utah Industrial Energy Consumers (UIEC). They request an extension such that Responses to the Motion to Dismiss, currently due on May 24, 2006, may be filed on June 9 and Replies, currently due on June 5, 2006, may be filed on June 23, 2006. They state that UIEC has agreed to the extension and that they believe that no party will be prejudiced by the extension. They further state that the UEA Group has indicated that it does not object to an extension. At the time for filing of their Expedited Motion, they had not received word from PacifiCorp, but since that time, the Commission has been informed that PacifiCorp does not object to the extension. Based upon our review of the pleadings and the foregoing, we conclude that the request to extend the filing dates may be granted.

Wherefore, we enter this ORDER extending the filing date for Responses to UIEC's Motion to Dismiss from May 24, 2006, to June 9, 2006, and the filing date for Replies from June 5, 2006, to June 23, 2006.
