Subject: Joint Position Matrix; Docket No. 05-035-47

Date: November 1, 2006

The attached document is a joint position matrix for Docket No. 05-035-47. This document, as requested by Commission staff, outlines the resolved and unresolved issues. The matrix was sent to all parties that participated in either of the settlement conferences held on October 19, 2006 and October 24, 2006. The Division received written input from the following parties on this document: PacifiCorp, the Independent Evaluator, Committee of Consumer Services, UAE, WRA, and LS Power. The Division only made changes suggested by a party if it directly pertained to that party's position. Due to the short time frame, parties were not able to comment on the changes made by others.
