BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of PacifiCorp)	
for Approval of a 2009 Request for Proposals)	DOCKET NO. 05-035-47
for Flexible Resource)	
)	<u>UTAH POWER'S MOTION TO EXTEND</u>
)	<u>PROCEDURAL SCHEDULE</u>
)	
)	

Pursuant to the Utah Public Service Commission's Rule of Practice and Procedure R746-100-3(H), PacifiCorp (the "Company"), hereby requests that the Utah Public Service Commission ("Commission") amend the procedural schedule previously adopted in this proceeding as specified in this motion. In support of this motion, PacifiCorp states as follows:

1. The MidAmerican Energy Holding Company ("MEHC") transaction closed on March 21, 2006. Now that the transaction has closed, MEHC and PacifiCorp are able to review and discuss in greater detail the technical, financial and regulatory issues associated with PacifiCorp's resource planning and acquisition process.

2. The extension specified in this motion is appropriate to provide adequate time for that review and discussion and will not jeopardize PacifiCorp's ability to go forward with an RFP in a timely manner.

3. During the April 3, 2006 technical conference in this docket, the parties discussed amending the schedule in this proceeding. Subsequently, PacifiCorp has provided its proposed

schedule to those parties. No party has objected to the schedule proposed in this motion.

Accordingly, PacifiCorp requests that the schedule be amended as follows:
