The RFP allows bidders to bid proposals into eight (8) eligible resource categories with two (2) exception categories. Bids in the eight eligible resource categories must be a minimum of 100MW for a minimum of 10 years. The Company will consider bids in the eligible resource categories that take one of the following forms: (1) Power Purchase Agreement; (2) Tolling Service Agreement; (3) Asset Purchase and Sale Agreement (PacifiCorp Site); (4) Asset Purchase and Sale Agreement (Bidder Site); (5) Engineering, Procurement and Construction Contract (Currant Creek Site Only); (6) purchase of an existing facility; (7) purchase of a portion of a facility jointly owned or operated by the Company; or (8) restructuring of an existing Power Purchase Agreement or Exchange Agreement.
