Carol, There are a lot of things happening that need a full discussion. I am concerned by not getting returned calls. I know you are busy but the potential your company has by honest and fair communications with me could be described as immense, but I have to be honest with you and request an immediate meeting. Please give me a call or give me an explanation. 801 673 2897. Or e mail me. I am trying to be fair. Darrell P.S. I will give a copy of this to the Public Service Commission.
