Re: Notice of Activity Involving Berkshire Hathaway Energy Company
Docket No. 05-035-54

Dear Mr. Widerburg:

Please be advised of the following activities concerning Berkshire Hathaway Energy Company (Berkshire Hathaway Energy).

General Commitment 12 was adopted by the Public Service Commission of Utah (Commission) in its order in Docket No. 05-035-54. That order, approving MidAmerican Energy Holdings Company (MEHC)/Berkshire Hathaway Energy's acquisition of PacifiCorp, requires that PacifiCorp notify the Commission subsequent to MEHC (now Berkshire Hathaway Energy) board approval and as soon as practicable following any public announcement of any acquisition of a regulated or unregulated business representing 5 percent or more of the capitalization of MEHC/Berkshire Hathaway Energy. PacifiCorp provides the following information in accordance with General Commitment 12.

On July 7, 2017, Berkshire Hathaway Energy announced that it had executed a definitive merger agreement with Energy Future Holdings Corp. (EFH) whereby Berkshire Hathaway Energy will acquire reorganized EFH, which will ultimately result in the acquisition of Oncor, an energy delivery company. Oncor is a regulated electric transmission and distribution service provider that serves 10 million customers across Texas and is headquartered in Dallas, Texas. The all-cash consideration for reorganized EFH is \$9 billion implying an equity value of approximately \$11.25 billion for 100% of Oncor. Closing of the acquisition is subject to closing conditions, including the receipt of required state, federal and bankruptcy court approvals. The transaction is currently expected to be completed in the fourth quarter of 2017.

The Company respectfully requests that all formal correspondence and requests for additional information regarding this filing be addressed to the following:
