(1) All these subsidiaries were listed on Berkshire Hathaway Inc.'s Form 10-K for 2004. Each of the named Berkshire Hathaway Inc. subsidiaries is not necessarily a "significant subsidiary" as defined in Rule 1-02(w) of Regulation S-X, and Berkshire has several additional subsidiaries not named above. All such unnamed subsidiaries in addition to those acquired after December 31, 2004, would not be considered, in the aggregate, to constitute a "significant subsidiary" as of the end of the year covered by the 10-K for 2004.

All of the foregoing business organizations, shown in the three boxes, above, are 100% owned by Berkshire Hathaway Inc., either directly or indirectly, with the exception of those that are marked with an asterisk (*). All of the business organizations marked with an asterisk (*) are majority-owned by a Berkshire, direct or indirect, subsidiary.
