MidAmerican Energy Holdings Company and PacifiCorp (hereinafter jointly referred to as the “Applicants”) hereby move the Public Service Commission of Utah (the “Commission”) to amend the scheduling order adopted by the Commission in this proceeding on August 1, 2005 (“Scheduling Order”). The grounds for this Motion are as follows:

1. Pursuant to the Commission’s previously-adopted Scheduling Order, Applicants and other Utah parties, including the Division, Committee, UIEC, UAE, SLCAP, IBEW, Western Resource Advocates and Utah Clean Energy (referred to collectively herein with the Applicants as the “Participating Parties”), have engaged in settlement negotiations in the above-captioned proceeding. The settlement negotiations were open to all parties.

2. During the course of the settlement negotiations, the Participating Parties agreed that a change in the procedural schedule was necessary and desirable in order to allow additional time to review the application and supporting materials and to engage in settlement negotiations.

3. Therefore, the Participating Parties, request that the Commission amend the procedural schedule as proposed in the draft Revised Scheduling Order attached hereto. The proposed changes to the schedule in this proceeding are to testimony and discovery timelines and do not affect the previously-scheduled hearing dates. Because the changes provide parties with additional time to review the application, it is not anticipated that parties who have not actively participated in settlement negotiations would object to the changes.

WHEREFORE, the Applicants request that the Commission enter the Revised Scheduling Order in the form attached hereto.

RESPECTFULLY SUBMITTED this _____ day of November, 2005
