Dear Commissioners:

Please allow me to express my support for the planned purchase of PacifiCorp by MidAmerican Energy Holdings Company.

I believe this purchase will be good for the citizens of West Valley City and Utah. Among the benefits of this purchase, several stand out:

- This transaction provides PacifiCorp with long-term stability and access to the capital resources necessary to fund sustained investment in the electric system.
- MidAmerican's experience will maximize PacifiCorp's efforts in economic development.
- The increased investments in transmission and distribution assets will be beneficial for the region.
- There is a strong commitment to maintain sufficient operations and front-line staff to provide adequate and reliable service, keeping up with load and customer growth.

Thank you for considering my input regarding this important issue. Please feel free to contact me if you desire additional or more specific information.

Sincerely,

Dennis J. Nordfelt
Mayor
