Subject: Review for Compliance of Tariff Filing-Schedule 38; Docket 05-035-T16

Date: November 3, 2005

On July 14, 2005, PacifiCorp filed Schedule 38 to update language within the tariff regarding PacifiCorp's interconnection procedures. The Commission issued an Action Request to the Division of Public Utilities (Division) on July 19, 2005, requesting that the tariff sheets be reviewed for Compliance. The Division reviewed the tariff sheets filed July 14 and determined that the language regarding interconnection procedures and PacifiCorp's Open Access Transmission Tariff is missing a letter in the on-line address. It should read [www.oasis.pacificorp.com](http://www.oasis.pacificorp.com). Therefore, the Division recommends that the above mentioned typographical error be corrected and that the Commission accepts the new tariff sheets as corrected.
