**Re: Docket No. 06-035-148
Tim Vetere / Rocky Mountain Power
Reporting Requirements**

Dear Ms. Orchard:

In the Commission's Order of October 20, 2008, in the above Docket, Rocky Mountain Power was directed to provide a report on quality assurance efforts undertaken by the Company, how it assesses the need for new or upgraded plant, and other matters. In accordance with that order, Rocky Mountain Power hereby files an original and five copies of the requested report on the transmission and distribution system in the Green River, Utah area.

If you have any question, do not hesitate to contact me at 503-331-4306.

Sincerely,

Barbara A. Coughlin
Director, Customer & Regulatory Liaison
