-----  
In the Matter of the Application of PacifiCorp ) DOCKET NO. 06-035-21  
for Approval of its Proposed Electric Rate ) ORDER VACATING PORTIONS OF  
Schedules and Electric Service Regulations ) APRIL 4, 2006  
) SCHEDULING ORDER  
-----

ISSUED: June 20, 2006

By the Commission:

By Scheduling Order issued April 4, 2006, the Commission set a procedural schedule for these proceedings, setting forth separate schedules for resolution of test period issues, revenue requirement issues and cost of service/rate design issues. Subsequently, we have modified the schedule for the test period issues through two additional scheduling orders. Our April 4, 2006, Order also inferred a schedule for Commission Docket No. 05-035-102, by including that docket's subject matter, a power cost adjustment mechanism, in the heading used for the revenue requirement procedural schedule, although no corresponding scheduling order or procedural notice was issued in Docket No. 05-035-102. The April 4, 2006, Order also consolidated, for specified, limited purposes, Docket Nos. 06-035-21 and 05-035-102. In Docket No. 05-035-102, a Motion to Dismiss has been filed and the Commission has issued a procedural order in that docket to address the Motion to Dismiss. Because of the changes already made to the schedule and developments in Docket No. 05-035-102, the Commission concludes that portions of the April 4, 2006, Order should be vacated. The perceived benefits from consolidation are no longer relevant and each case may proceed independently.

DOCKET NO. 06-035-21

-2-

Wherefore, the Commission issues this ORDER vacating:

1. Those portions of the April 4, 2006, Scheduling Order which set a procedural schedule for the test year issues in Docket 06-035-21,
2. Those portions which set a procedural schedule for the filing of testimony and evidentiary hearings for Docket No. 05-035-102, and
3. Those portions which consolidated Docket Nos. 06-035-21 and 05-035-102.

DATED at Salt Lake City, Utah, this 20<sup>th</sup> day of June, 2006.
