BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of PacifiCorp)	DOCKET NO. 06-035-21
for Approval of its Proposed Electric Rate)	
Schedules & Electric Service Regulations)	MOTION FOR APPROVAL OF
)	STIPULATION
)	
)	
)	

PacifiCorp hereby moves the Public Service Commission of Utah (the “Commission”) for approval of the Stipulation dated August 31, 2006 (the “Stipulation”) which was filed with this Motion. The grounds for this Motion are as follows:

1. On March 7, 2006, PacifiCorp filed an application, together with revenue requirement, cost of service, rate spread and rate design testimony, for a rate increase of \$197.2 million based on a 12 month forecast test period ending September 30, 2007. On April 5, 2006, in compliance with the provisions of Commitment U23 of Appendix A to the Stipulation in Docket No. 05-035-54, PacifiCorp filed supplemental testimony

that reduced the Company's proposed price increase from \$197.2 million to \$194.1 million.

2. On July 26, 2006, PacifiCorp filed a stipulation (“Revenue Requirement and Rate Spread Stipulation”) which resolves the revenue requirement and rate spread issues in this proceeding. Under the terms of the Revenue Requirement and Rate Spread Stipulation, customer rates will increase by \$85 million on December 11, 2006 and by an additional \$30 million on June 1, 2007. The Revenue Requirement and Rate Spread Stipulation also provides that the allocation of revenues to customer classes to recover the increased revenue requirement will be in accordance with the schedule attached to the Revenue Requirement and Rate Spread Stipulation as Exhibit 2 (“Rate Spread Exhibit”). The Revenue Requirement and Rate Spread Stipulation does not address rate design.

3. The parties have held settlement conferences to discuss the rate design issues in this proceeding. The settlement negotiations have been open to all parties.

4. As a result of those settlement discussions, the parties whose signatures appear on the signature pages of the Stipulation (collectively referred to herein as the “Parties”) have reached agreement on the rate design for Electric Service Schedules 8, 9 and 31 and the other matters specified in the Stipulation.

5. As specified in the Stipulation, the Parties agree that the Stipulation is in the public interest and that all of its terms and conditions, considered together as a whole, will produce fair, just and reasonable results.

Wherefore, PacifiCorp requests that the Commission grant this motion and approve the Stipulation.

RESPECTFULLY SUBMITTED this 15th day of September, 2006
