RE: Docket No. 06-035-40. Application of PacifiCorp for Approval of the Intercompany Administrative Services Agreement with MidAmerican Energy Holdings Company.

As scheduled by the Commission, on May 3, 2006 a meeting was held with the Parties to the PacifiCorp Acquisition interested in this Intercompany Administrative Services Agreement (IASA) issue. Any Parties interested in commenting on the IASA were to indicate their interest within the following week. Robert Reeder subsequently indicated to the Division that the group he represents was interested in commenting on the IASA. The Division recently confirmed with Mr. Reeder of his continuing interest in making a comment and that he expects to be able to complete such a comment in ten days. No other Party has indicated to the Division that it is interested in commenting on this matter. However, the Division suspects that one or two other parties may comment if deadlines are set.

RECOMMENDATION:

The Division recommends that the Commission issue a Scheduling Order to the Parties in the Acquisition Docket (docket number 05-035-54) requesting comments regarding the Intercompany Administrative Services Agreement between PacifiCorp and its parent and affiliates to be filed with the Commission within ten (10) business days of the such Order with reply comments to be filed with the Commission ten business days later. The Division would file its comments on the latter of these two dates. The Division also recommends that the Commission set a scheduling conference to determine a hearing date following the date for the reply comments.
