**Re: Docket No. 06-035-76
In the Matter of the Application of PacifiCorp for Approval of Power Purchase
Agreement between PacifiCorp and Spanish Fork Wind Park 2, LLC**

PacifiCorp (d.b.a. Utah Power) hereby submits for filing an original and five copies of a replacement sheet in the Power Purchase Agreement (“PPA”) that PacifiCorp submitted for approval on June 21, 2006 in the above docket. Page 9 of the PPA contained an erroneous definition for “Scheduled Commercial Operation Date.” The filed version of the PPA incorrectly stated that the Scheduled Commercial Operation Date was December 31, 2007. The correct Scheduled Commercial Operation date is June 30, 2008.

Attached to this transmittal letter are two corrected pages: one is a redline showing the change to the definition of “Scheduled Commercial Operation Date” and the other page is a clean copy reflecting the corrected definition. Please remove page 9 of the PPA and replace it with the attached corrected page. All other provisions in the PPA remain unchanged.

The Company will also provide an electronic version of this filing to merilee.livingston@utah.gov.

Sincerely,

Dean Brockbank
Sr. Counsel
