Rocky Mountain Power, a division of PacifiCorp, filed a Motion for Protective Order and Request for Expedited Treatment with the Public Service Commission of Utah (the “Commission”) on February 23, 2007. However, shortly after filing the motion, counsel for the Utah Committee of Consumer Services (“Committee”) contacted counsel for Rocky Mountain Power and requested that additional language be added to the proposed protective order. Counsel for the Committee requested that the following bolded language be added to paragraph 1 (B) of the proposed protective order:

(B) Use of Confidential Information and Persons Entitled to Review. All Confidential Information made available pursuant to this Order shall be given solely to counsel for the parties which shall include the Division of Public Utilities (“Division”) and the Committee of Consumer Services (“Committee”), and shall not be used nor disclosed except for the purpose of this proceeding; provided, however, that access to any specific Confidential Information may be authorized by counsel, solely for the purpose of this proceeding, to those persons indicated by the parties as being their experts in this matter. Persons designated as experts shall not

include persons employed by the parties who could use the information in their normal job functions to the competitive disadvantage of the party providing the Confidential Information. Any member of the Public Service Commission and its staff, **the Division and its staff, the Committee and its staff, and each parties respective legal counsel**, under and pursuant to the applicable provisions of Title 54, Utah Code Ann., the Rules of Civil Procedure and the Rules of the Commission, may have access to any Confidential Information made available pursuant to this Order and shall be bound by the terms of this Order, except for the requirement of signing a nondisclosure agreement.

Accordingly, Rocky Mountain Power has attached hereto as Exhibit "A" a revised proposed protective order reflecting the additional language proposed by Counsel for the Committee, and requests that the Commission consider this proposed order instead of the proposed order that was submitted on February 23, 2007.

WHEREFORE, Rocky Mountain Power respectfully requests that the Commission enter the protective order in the form attached hereto as Exhibit "A" on an expedited basis.

DATED this 1st day of March, 2007.

Respectfully submitted,

ROCKY MOUNTAIN POWER
