BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of Rocky Mountain Power for Authority to Increase its Retail Electric Utility Service Rates in Utah and for Approval of its Proposed Electric Service Schedules and Electric Service Regulations, Consisting of a General Rate Increase of Approximately \$161.2 Million Per Year, and for Approval of a New Large Load Surcharge	Docket No. 07-035-93 NOTICE AND STATEMENT OF THE UTAH DIVISION OF PUBLIC UTILITIES REGARDING TEST YEAR
--	---

Pursuant to the scheduling order issued by the Utah Public Service Commission (Commission) in the above referenced docket on December 27, 2007, the Utah Public Utilities (Division) hereby files its Notice and Statement regarding Test Year issues.

Because the Division has not had an opportunity to adequately review the rate case filing and any data request responses provided by Rocky Mountain Power regarding what should be the proper test year for this case, the Division is not requesting a test period designation at this point. However, the Division puts the Commission and other parties on notice that as and when the Division determines what the proper test year should be for this case, the Division may

make adjustments based on that fact, or may seek determination of the proper test year at that later date.

Respectfully filed this ____ day of January, 2008.

Patricia E. Schmid
Michael L. Ginsberg
Attorneys for the Division
of Public Utilities
