Re: Docket No. 07-035-93
Notice of Intent to Present Sur-surebuttal Testimony in
Rate of Return Hearing on May 20

In its scheduling order in Docket 07-035-93, issued on December 27, 2007, the Utah Commission set a schedule for the rate of return phase of this case. This schedule directed the filing of surrebuttal testimony on May 12, 2008. The schedule did not, however, include a date for the pre-filing of written sur-surebuttal, instead contemplating the live presentation of any such testimony at hearing.

This is Rocky Mountain Power's notice that it intends to present sur-surrebuttal testimony from Messrs. Walje, Williams and Hadaway at the rate of return hearing on May 20, 2008.

Sincerely,

Mark Moench
