Subject: Application of PacifiCorp, by and through its Rocky Mountain Power Division, for Approval of a Solicitation Process for a Flexible Resource for the 2012-2017 Time Period, and for Approval of a Significant Energy Resource Decision, Docket No. 07-035-94.

Date: March 12, 2008

Rocky Mountain Power (Company) has made an application to the Public Service Commission of Utah (Commission) for approval of a solicitation process for a 2012-2017 flexible resource. The Company intends to issue a Request for Proposals (RFP) for the 2012-2017 time period to meet up to 2,000 MW of the Company's capacity and energy resource needs. Following the Commission's Report and Order of January 28, 2008, the Division will refer to this entire process, from RFP preparation to approval of a significant energy resource decision, as the "2017 All Source RFP."

The Commission originally requested comments on the 2017 All Source RFP by March 17, 2008. The Scheduling Order of March 4, 2008 has since set March 21, 2008 as the date to submit comments to the Commission. The Division will submit its comments March 21, 2008, in line with the Scheduling Order.
