On October 6, 2009, PacifiCorp, dba Rocky Mountain Power in Utah, (“Company”), filed a request to resume its All Source Request for Proposals (“All Source RFP”) in the above entitled matter. On October 26, 2009, the Commission approved the Company’s request to resume its All Source RFP and approved a schedule governing the resumption of the All Source RFP. The approved schedule included a technical conference to be held on November 2, 2009, to discuss the Company’s proposal for addressing the economic modeling issues raised in our May 23, 2008, order (“May Order”) in this case, and a date of November 16, 2009, for stakeholders to file comments and conclusions on modeling and schedule. Specifically the May Order stated, “The Company shall convene a workgroup to review and make recommendations regarding: 1) a mechanism for the comparison of alternative portfolios; and 2) the criteria for selecting final shortlist resources from the highest performing portfolios, as discussed herein. The Company shall report to the Commission its conclusions with respect to these two issues prior to bid evaluation.”<sup>1</sup>
