Dear Ms. Ryan:

The Commission is in receipt of your request for an extension of time of approximately 45 days to evaluate Rocky Mountain Power's proposed Solar Incentive program, Docket No. 07-035-T14. The original filing was made on April 4, 2007, with the Division's response due on April 26, 2007. You note Rocky Mountain Power has since agreed to conduct additional analysis requested by the Division and the Committee of Consumer Services and that the extension is necessary as the Company anticipates completing and filing said analysis by mid-June.

Therefore, for the reasons stated above, the Commission hereby extends the Division's deadline for review of this program from April 26, 2007, to June 15, 2007.

If you have further questions or comments, I can be reached by phone at (801) 530-6713 or email at [jorchard@utah.gov](mailto:jorchard@utah.gov).

Sincerely,

/s/ Julie Orchard  
Commission Secretary
