RE: Docket 07-035-T14 - Schedule No. 107 – 2009 Annual Report of the Solar Photovoltaic Incentive Program

Dear Commissioners and Commission Staff:

I am writing in regards to Docket 07-035-T14 and the Utah Solar Incentive Program 2009 Annual Report filed by Rocky Mountain Power on March 16, 2010. I understand the Commission submitted an Action Request to the Division of Public Utilities for a review of this annual report.

Although no formal public comment period has been issued, Salt Lake County plans to submit comments on the annual report. Unfortunately, these comments will not be able to be submitted by the April 14<sup>th</sup> deadline in which the Division's comments are due.

Salt Lake County's comments will be submitted by May 7<sup>th</sup>, 2010 and we hope will be considered alongside the Division's comments. Thank you for your consideration of this matter.

Sincerely,

Kimberly Barnett  
Environmental Coordinator  
Office of Mayor Peter M. Corroon
