RE: DOCKET 07-033-T14

GENTLEMEN:

I HAVE BEEN OUT OF STATE THE PAST TWO YEARS WORKING ON WATER AND POWER ISSUES FOR NEVADA AND CALIFORNIA, SO I WAS UNAWARE OF WHAT ROCKY MOUNTAIN POWER'S STAND WAS ON INCENTIVES FOR HOMEOWNERS TO INSTALL SOLAR PANELS UNTIL I READ STEVE UBER BECK'S ARTICLE IN THE SALT LAKE TRIBUNE.

I HAVE BEEN WORKING WITH THE DEPT OF ENERGY AND THE STATE OF NEVADA TO MOVE THE SOLAR DECATHLON FROM WASHINGTON D.C. TO LAS VEGAS. THERE HAS BEEN CHANGES AND NOW WE ARE WORKING ON BRINGING THE SOLAR DECATHLON TO UTAH AND CHINA. CHINA HAS RECENTLY BEEN SELECTED FOR AN INTERNATIONAL SITE FOR 2013, AND WE HOPE TO ESTABLISH A UTAH SITE IN COOPERATION WITH NEVADA FOR 2013. WE ARE HOPEFUL THIS WILL HELP AS YOU MAY OR MAY NOT KNOW, THE SOLAR DECATHLON IS A PROJECT THAT PRESELECTS 30 UNIVERSITIES AND DOE GIVES \$100,000 TO EACH UNIVERSITY FOR DISTRIBUTION TO STUDENTS TO BUILD A LEADING EDGE SOLAR HOME AND THEN THE HOME IS SENT TO D.C. FOR COMPETITION WITH THE OTHERS AND A WINNER IS SELECTED.

LOOER

THIS PROJECT HAS BEEN, IN MY OPINION, A SUCCESS SINCE AT THE LAST EVENT IN D.C. I BELIEVE ONE OF THE HOMES PRODUCED A NET PLUS OF ELECTRICITY. EVENTUALLY, IT IS HOPED THERE WILL BE A SIGNIFICANT SURPLUS OF ELECTRICITY PRODUCED TO CHARGE A MOTOR VEHICLE. SO, THE END GOALS ARE VERY SIGNIFICANT AND THIS INFO CAN BE USED BY THE COMMISSION IN MAKING A FINAL DECISION ON INCENTIVES FOR HOME OWNERS TO INSTALL SOLAR PANELS.

SINCE UTAH HAS NEVER PARTICIPATED IN A SOLAR DEATHLON THERE IS GOOD REASON THAT CAN CHANGE. GOV. HEBER HAS LED THE WAY WITH A CHINESE TRADE MISSION AND THAT OPENS THE DOOR FOR UTAH TO JOIN WITH CHINA IN A 2013 SOLAR DEATHLON TO BE HELD IN CHINA AND HOPEFULLY UTAH WILL APPLY AND BE SELECTED FOR A USA SITE FOR THE 2013 EVENT.

I AM WRITING THIS LETTER FROM THE HOSPITAL BECAUSE OF A HIGH BLOOD PRESSURE PROBLEM AND I WOULD APPRECIATE IT IF YOU COULD MAKE COPIES OF THIS AND MAIL IT TO ME AT

THANK YOU VERY MUCH.

Daniell G. Hafan
