Ms. Livingston,

On July 5, 2007, the Committee filed a request for extension of time to file its comments to PacifiCorp's 2007 IRP. This morning, July 10th, PacifiCorp's attorney, Dean Brockbank, informed me that the utility does not object to the Commission granting the Committee's request. Please include this e-mail in the Commission's record for the docket. Thank you.
