DOCKET NO. 08-035-35

AMENDED PROCEDURAL ORDER

ISSUED: June 13, 2008

By the Commission:

On April 15, 2008, the Commission issued a Procedural Order and Notice of Hearing in this matter. The order set June 18, 2008, as the deadline for filing testimony or comments on PacifiCorp's, doing business as Rocky Mountain Power, request for a significant energy resource decision and for filing rebuttal testimony or comments to the testimony or comments filed by June 18, 2008, on July 9, 2008. The order also set discovery response times based on these dates.

Rocky Mountain Power informed the Commission that during a discovery meeting on June 11, 2008 with the Independent Evaluator, the Division of Public Utilities and the Committee of Consumer Services, those parties had agreed to propose that the deadlines for filing testimony or comments and rebuttal testimony or comments be extended by two days, but they had agreed that the hearing dates should not be changed. Rocky Mountain Power also informed the Commission that it had notified other parties of this proposed modification to the schedule and that no party had objected to it.

Based upon the foregoing and for good cause appearing, the Commission makes the following order.
