Subject: Re: 08-035-38 DPU's Comments on RMP's Proposed Scheduling Order 07-29-2008

The Committee of Consumer Services agrees with Mr. Dodge's comments concerning the scope of motions to be filed by August 18, and with the suggestion for staggering cost of service, rate design and rate spread testimony. The Committee believes that all issues in this general rate case should be heard at the same time and the revenue requirement, cos, spread and design should be addressed in a single report and order.
