BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Notice Given by PacifiCorp
of its Intent to File Another General Rate Case
On or Soon After 6 June 2008

Docket No _____
REQUEST TO INTERVENE

I respectfully request that the Public Service Commission of Utah, pursuant to its customs and practices, including Utah Code Annotated (UCA) Section 63-46b-9 and Utah Administrative Code (UAC) R746-100-7, permits me to intervene in this matter, because:

- 1 on 7 April 2008, PacifiCorp (dba Rocky Mountain Power) served the Commission and parties to dockets 06-035-21 and 07-035-93 Notice of its Intent to File a General Rate Case “on or soon after June 6, 2008”;
- 2 the Commission granted my requests to intervene in both of those previous dockets;
- 3 I use electricity for lighting and other applications in my home, for which I have no choice of alternative suppliers, and am therefore a captive customer who must necessarily pay whatever rates are approved by the Commission in Rocky Mountain Power’s Tariff, so my legal rights and interests may be substantially affected by the Commission’s adjudication of this matter, and the impact that any increase will have on me will be proportionately similar to that upon any other Rocky Mountain Power customer, as will the impact of future availability of a reliable supply of electricity;

REQUEST TO INTERVENE

Docket No _____
7 April 2008

4 because this proceeding is at such an early stage, I have not fully determined the specific positions I will take, or the relief I will seek; I wish to intervene to protect my interests, particularly on issues of relevance to residential customers, as they may appear; and

5 the interests of justice and the orderly and prompt conduct of this proceeding will not be materially impaired by allowing me to intervene; indeed, the interests of justice might be materially impaired by denying me intervention.

Finally, I request leave to intervene and participate in this proceeding with full rights as a party to protect my interests, and perhaps those of other similarly situated Rocky Mountain Power customers, as they may appear, and that copies of all notices and pleadings in this proceeding be sent to me:
