Subject: Application of Rocky Mountain Power for Approval of Significant Energy Resource Decision Resulting from 2012 Request for Proposals, Docket No. 08-035-95.

Date: December 4, 2008

Rocky Mountain Power (Company) requested that the Utah Public Service Commission (Commission) approve its significant energy resource decision to construct Lake Side 2, a combined cycle combustion turbine ("CCCT") generating plant.

The Company filed a Verified Application for Approval of Significant Energy Resource Decision and for Certificate of Public Convenience and Necessity on December 4, 2008. In response the Commission issued an Action Request on December 4, 2008, to the Division of Public Utilities (Division). The Division requests that the Commission arrange a Scheduling Conference at the earliest opportunity. The Division will participate according to the Scheduling Order and will submit its comments on the Application of Rocky Mountain Power for Approval of Significant Energy Resource Decision Resulting from 2012 Request for Proposals in line with the Scheduling Order.
