**Re: Reply Memorandum and Response to Action Request Response.
Docket No. 08-2490-01**

Dear Ms. Orchard:

Enclosed for filing with the Public Service Commission please find an original and five copies of Milford Wind Corridor's Reply Memorandum in Support of Motion to Dismiss the Application of Milford I and Milford II for Certificates of Convenience and Necessity and Response to the Action Request Response of the Division of Public Utilities.

I have also caused to be filed an electronic copy of said Reply and Response by sending it in Word format to mlivingston@utah.gov. Please note that the Attachment is not available in Word format and has therefore been submitted electronically as a .pdf document.

If you have any questions about this filing, please contact me.

Very truly yours,
