RE: Corrections to Exhibits to Pre-filed Direct Testimony of Nancy L. Kelly on behalf of Western Resource Advocates in Docket No. 09-035-15, *In the Matter of the Application of Rocky Mountain Power for Approval of its Proposed Energy Cost Adjustment Mechanism*

Dear Commissioners:

The two exhibits (Exhibit NLK-1 and NLK-2) attached to the pre-filed direct testimony of Nancy L. Kelly contained typographical errors. Due to the conversion of the exhibit file from Excel format to PDF format when the testimony was filed, the x-axis of both exhibits disappeared. The x-axes should have shown the years from 2010 to 2025. Please accept and substitute the enclosed corrected exhibits, Corrected Exhibit NLK-1 and Corrected Exhibit NLK-2, instead of the earlier versions attached to Ms. Kelly's exhibits.

The direct testimony of Nancy L. Kelly was filed on November 16, 2009. The errors in the exhibits were only recently discovered. The corrections are clarifying, not substantive. No party will be prejudiced by the acceptance and substitution of the corrected versions of the exhibits. WRA apologizes for any inconvenience.

This letter, with the enclosures, is also being served electronically on all parties.

Thank you. Please do not hesitate to contact me if you have any questions.

Respectfully,
