Subject: Rocky Mountain Power Rate Case Scheduling Order 09-035-23
Attachments: 464681_2.doc

A conflict has unexpectedly arisen for the Revenue Requirement Hearings scheduled on December 7 - 10, 2009 in the Revenue Requirement Phase of the RMP Rate Case. I wonder if the date for that hearing could be moved to December 14 - 17, 2009 beginning at 9:00 a.m.? I apologize for the delay in finalizing the order, but when this conflict arose, I have been trying to reach an agreeable solution. Please let me know by Monday, August 3rd at Noon if you can accommodate moving the hearing to then and keeping the remainder of the schedule in tact. I have attached a copy of Greg Monson's proposed draft schedule that does not reflect the change I am requesting. Thanks. JPO
