Re: Docket No. 09-035-36 - Annual Program Effectiveness Report

On September 23, 2010, Rocky Mountain Power officials wrote a letter to the Public Service Commission (PSC) requesting an additional two weeks to file the annual program effectiveness report containing the Dan Jones & Associates survey results. The PSC, therefore, grants the two week extension making the annual effectiveness report due on Thursday, October 14, 2010.

If you have any questions or comments regarding this extension of time, please don't hesitate to contact me. Thanks.

Sincerely,
