HEARING OFFICER: All right. We're on the record. This is Docket No. 09-035-55 in the Matter of the Application of Rocky Mountain Power for Approval of Master Electric Service Agreement between Rocky Mountain Power and Wind Corridor I, LLC.

Let's go ahead and take appearances, starting right here with Mr. Proctor.

MR. PROCTOR: Paul Proctor on behalf of the Office of Consumer Services.

MR. GINSBERG: Michael Ginsberg appearing for the Division of Public Utilities, and with me today is Douglas Wheelwright, who made the Division's recommendation.

MS. ISHIMATSU: Barbara Ishimatsu appearing for Rocky Mountain Power, and with me today is Paul Clements. He's available to answer any questions.

HEARING OFFICER: Okay.

MS. BALDWIN: And on the phone we have Peter Sullivan, and he's with the Milford Wind Corridor, Phase I, LLC. And I'm appearing as his attorney. My name is Vicki Baldwin.

HEARING OFFICER: All right. Thank you.

My understanding is there's a stipulation in

1 this application. I know the Commission has received
2 copies of the Division's recommendation and also the
3 recommendation of the Office of Consumer services,
4 recommending that the Commission approve the application
5 and also this proposed order.

6 I'm assuming everybody has seen the proposed
7 order. There are no objections to it, no objections to
8 the form. We did receive it yesterday and the
9 Commissioners reviewed it and absent any kind of
10 objection today, we should be entering it today.

11 Is there anything you'd like to add in
12 support of this order or the application, anyone?

13 (No audible response.)

14 HEARING OFFICER: No. Okay. Then that's it.
15 We'll go ahead and I'll make a recommendation and submit
16 this order as the order of the Commission today. Thank
17 you.

18 MR. PROCTOR: Thank you.

19 MS. ISHIMATSU: Thank you.

20 (The hearing was concluded at 9:32 a.m.)
