RE: Rocky Mountain Power Advice No. 09-01
Docket No. 09-035-T01

Recommendation: Approve Tariff

ISSUE:

Rocky Mountain Power (RMP) filed proposed changes to Schedule 115 and 125 on February 24, 2009. The pages affected are 115.1 and 125.1. The change to the tariff sheets is to replace "Utah Power and Light Company" with "Rocky Mountain Power" in the title line of the tariff sheet.

This is strictly a housekeeping filing to correct the name of the company in the title line. There are no other language changes to the tariff sheets.

RECOMMENDATION:

The Division of Public Utilities has reviewed the filing and recommends that the Public Service Commission approve the requested changes.
