In the Matter of the Application for Changes to Rocky Mountain Power's Home Energy Savings Program))))))))	<u>DOCKET NO. 09-035-T04</u> <u>ORDER ON REQUEST FOR EXPEDITED TREATMENT AND NOTICE OF HEARING</u>
----------------------------------------------------------------------------------------------------------	--------------------------------------	-------------------------------------------------------------------------------------------------------------------

ISSUED: April 1, 2009

By The Commission:

Rocky Mountain Power (RMP) filed an Application requesting proposed changes to its Home Energy Savings program offered through Schedule 11. Specifically, RMP seeks to make changes relative to the incentives offered for insulation measures. RMP sought implementation of these changes effective April 1, 2009 and requested expedited consideration of such changes. The Commission declines to grant expedited treatment of RMP's Application in order to make the change effective April 1, 2009.

However, a hearing in the above-entitled matter is hereby set for **Thursday, April 16, 2009**. Generally, the purpose of this hearing is to receive testimony regarding Rocky Mountain Power's (RMP) proposed changes to its Home Energy Savings program offered through Schedule 11. Specifically, matters to be discussed will relate to the proposed changes to the incentives offered for insulation measures. The hearing will be conducted by the Administrative Law Judge of the Public Service Commission of Utah on **Thursday, April 16, 2009 beginning at 9:30 am and continuing to 12:30 pm. A portion of the time scheduled will be reserved for public witness testimony.**
