Subject: Advice No. 09-07, Compliance Filing to Implement the Commission's Phase I Order on Revenue Requirement in Docket No. 08-035-38, Tariff 09-035-T07.

Date: May 6, 2009

This filing was submitted in compliance with the Utah Public Service Commission's Order on the Stipulation in the Cost of Service and Rate Spread Phase in Docket No. 08-035-38 implementing a \$45.0 million increase in annual revenue requirement. The proposed Schedule 98 will replace the compliance tariff sheet Schedule 98 filed by the Company on April 24, 2009, and identifies different percentage increases for each rate schedule. These schedule-specific percentage increases were identified in Exhibit A (Column 11) of the Stipulation and will be applied to all tariff customer bills as a line item for service. The Company has requested an effective date of May 8, 2009.

The Division of Public Utilities (Division) has reviewed the proposed tariff page for Schedule 98 and confirmed the different percentage increases match those in the Stipulation. The Division has verified the different percentage increases for Schedule 98 match those found in the Stipulation and believes the percentage increases in Schedule 98 to be correct.
