EXPLANATION AND STATEMENT OF ISSUES TO BE ADDRESSED

In its February 12, 2009 order in Docket 08-035-78 on Net Metering Service, the Utah Commission directed the Company to "update the avoided cost pricing in Schedule No. 37 annually, concurrent with the approval and establishment of rates for larger commercial and industrial customers based on the FERC Form No. 1 method." This filing is in compliance with the direction in that order.
