Commission Secretary

**RE: Refiling of update of Electric Service Schedule No. 37, Avoided Cost Purchases From Qualifying Facilities (Docket 09-035-T14)**

On August 4, 2009, Rocky Mountain Power filed an update to the avoided cost pricing in Schedule No. 37, Avoided Cost Purchases from Qualifying Facilities. On September 30, 2009, the Commission issued an order not approving the rates as filed. In that order, the Commission directed Rocky Mountain Power to provide additional information and clarification and refile as necessary within two weeks Schedule No. 37 rates and tariff sheets. On October 14, 2009, Rocky Mountain Power filed a request for a one week extension to make that filing. This filing is in compliance with the direction in the September 30, 2009 order.

Enclosed for filing are an original and two copies of proposed tariff sheets associated with Tariff P.S.C.U No. 47 of PacifiCorp, d.b.a Rocky Mountain Power, applicable to electric service in the State of Utah. Pursuant to the requirement of Rule R746-405D, Rocky Mountain Power states that the proposed tariff sheets do not constitute a violation of state law or Commission rule. Rocky Mountain Power will also provide an electronic version of this filing to [jwatts@utah.gov](mailto:jwatts@utah.gov).

First Revision of Sheet No. 37.3	Schedule 37	Avoided Cost Purchases From Qualifying Facilities
First Revision of Sheet No. 37.4	Schedule 37	Avoided Cost Purchases From Qualifying Facilities

Tariff Sheets 37.3 and 37.4 are being filed with updated prices.

In response to the Commission's direction, included with this filing is Appendix 1 with updated Tables 1 through Tables 9 that provides the support calculations for these filed avoided costs. Also included is Appendix 2 which provides a response to the questions and issues raised by the Commission in its order and a description of the changes to the tables in Appendix 1 made in response to those issues.

It is respectfully requested that all formal correspondence and staff requests regarding this matter be addressed to:
