Attorney for Rocky Mountain Power

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of)	
ROCKY MOUNTAIN POWER)	
for Approval of Power Purchase)	DOCKET NO. _____
Agreement between PacifiCorp)	
and US Magnesium LLC)	APPLICATION OF
)	ROCKY MOUNTAIN POWER
)	

Pursuant to Utah Code Ann. § 54-12-2, PacifiCorp, doing business in Utah as Rocky Mountain Power (“Rocky Mountain Power” or “Company”) hereby applies for an order approving Power Purchase Agreement (“Agreement”) between PacifiCorp and US Magnesium LLC (“US Mag”) dated September 21, 2010. In support of its Application, Rocky Mountain Power states as follows:

1. Rocky Mountain Power is a public utility in the state of Utah and is subject to the jurisdiction of the Commission with regard to its rates and service. Rocky Mountain Power also provides retail electric service in the states of Idaho and Wyoming. As a “purchasing utility,” as that term is used in Utah Code Ann. §54-12-2, PacifiCorp is obligated to purchase power from qualifying facilities pursuant to the Public Utility Regulatory Policies Act of 1978, Utah Code Ann. §54-12-1, *et seq.*, and the Commission’s orders. Under the Agreement, US Mag represents itself to be a

qualifying facility, and agrees to provide PacifiCorp, upon request, with evidence to show its qualifying facility status.

Informal inquiries may be directed to Dave Taylor, Utah Regulatory Affairs Manager, at (801) 220-2923.

3. In Docket No. 03-035-14, *In the Matter of the Application of PacifiCorp for Approval of an IRP-Based Avoided Cost Methodology for QF Projects larger than One Megawatt*, the Commission issued a series of Orders, which established avoided

capacity and energy cost payments for purchases from QF projects larger than one megawatt, such as US Mag's, under contracts with PacifiCorp with terms up to 20 years.

4. The Agreement provides for the sale to PacifiCorp of energy to be generated by US Mag up to 45.0 MW, from a natural gas-fired cogeneration facility constructed by US Mag and located in Rowley, Utah (the "Facility"). A copy of the Agreement is attached to this Application as Exhibit A. The Agreement is for a term of 12 months: January 1, 2011, to December 31, 2011.

5. The purchase prices set forth in the Agreement were calculated using the methodology approved in Docket No. 03-035-14. .

6. The Facility is located in Rowley, UT in an area served by Rocky Mountain Power. All interconnection requirements have been met and the Facility is fully integrated with the Rocky Mountain Power system.

8. The Agreement constitutes a "New QF Contract" under the PacifiCorp Interjurisdictional Cost Allocation Protocol ("Protocol"), previously filed with the Commission pursuant to a stipulation in Docket No. 02-035-04. According to the terms of the Protocol, the costs of the QF provisions would be allocated as a system resource, unless any portion of those costs exceed the cost PacifiCorp would have otherwise incurred acquiring comparable resources.

9. The existing QF Power Purchase Agreement, dated September 3, 2009 (the "2010 Agreement") between PacifiCorp and US Mag expires on December 31, 2010. Therefore, the parties desire that no time lapse between the expiration of the 2010 Agreement and the approval of the Agreement for which approval is sought in this Application. Rocky Mountain Power respectfully requests that the Commission issue a

scheduling order in this Docket as quickly as practicable, and requests that the Commission set this matter for hearing on November 18, 2010.

WHEREFORE, Rocky Mountain Power respectfully request that the Commission issue an order approving the Agreement submitted herewith and finding the terms and conditions of the Agreement to be just and reasonable and in the public interest.

DATED this 23rd day of September, 2010.

Respectfully submitted,

Daniel E. Solander
Attorney for Rocky Mountain Power
