BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of Rocky Mountain Power for Approval of an Electric Service Agreement between Rocky Mountain Power and Kennecott Utah Copper LLC	DOCKET NO. 10-035-__ PETITION FOR APPROVAL
---	---

Pursuant to Utah Code Ann. §§ 54-3-1, 54-4-1, 54-4-4 and 54-7-12, Rocky Mountain Power (“RMP” or the “Company”) hereby petitions the Commission for an Order approving the one year Electric Service Agreement between Rocky Mountain Power and Kennecott Utah Copper LLC (“Kennecott”) dated October 18, 2010, under which the Company will provide back up and supplemental electric service to Kennecott following termination of the parties’ current contract on December 31, 2010. Rocky Mountain Power is filing the contract under seal and requests that the Commission protect the confidential information in the contract from disclosure.

The terms of the contract require it to be confidential, so Rocky Mountain Power is filing the contract under seal, and requesting that the Commission protect the confidential information in the contract from disclosure. Any intervening parties will be asked to enter into a nondisclosure agreement in order to review the confidential information.

6. Rocky Mountain Power respectfully requests that the Commission hold a scheduling conference expeditiously to provide adequate time for discovery, testimony and analysis by all interested parties and set this matter for hearing November 18, 2010. Rocky Mountain Power respectfully requests that the Commission approve the attached ESA between the Company and Kennecott as establishing just and reasonable rates, terms and conditions for back-up and supplemental electric service to be supplied by RMP to Kennecott on and after January 1, 2011 through December 31, 2011.

Requested Relief

7. Rocky Mountain Power respectfully requests the Commission promptly set a scheduling conference and a hearing date that will enable the Commission to approve the ESA entered into by and between the Company and Kennecott as

establishing rates and conditions for back-up and supplemental service to Kennecott that are just, reasonable and in the public interest.

RESPECTFULLY SUBMITTED this 18th day of October, 2010
