RE: Docket

No. 10-035-124

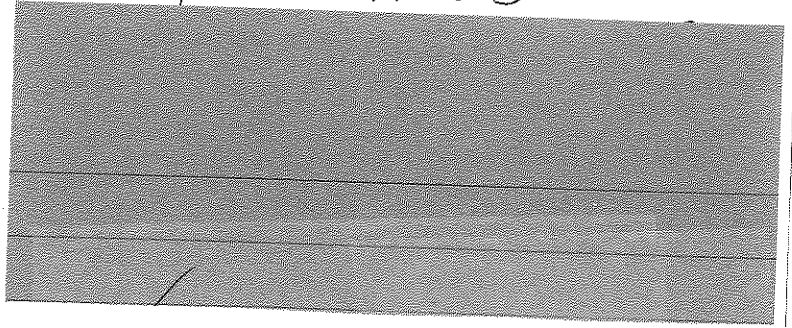

I am writing to say that I am totally against Rocky Mtn. Power getting another raise from us. I am on Social Security which hasn't changed for 2 years and when you live on fixed income, which thousands do, every time these utilities raise their rates, where do we get the extra money to pay? R.M.P. gets raises to rates constantly and now they want huge increases! Let them use their huge profits and not my few dollars! Please
