Registered Professional Engineer – South Carolina

PROFESSIONAL ACTIVITIES / HONORS:

Member: American Society of Civil Engineers; Institute of Electrical and Electronic Engineers,
American Water Works Association

EXPERIENCE RECORD:

Mr. Crisp currently manages the Atlanta Office of C. H. Guernsey. In addition to his management role, Mr. Crisp's consulting practice includes all aspects of electric, natural gas and water Utility Management including operations, power supply acquisitions, fuel purchasing, power contracting, site selection, permitting, design and construction. Specific areas of expertise include rate designs and cost of service studies, development of acquisition strategies, mergers, municipalization, planning and system forecasting for capital and O&M budgets.

Mr. Crisp has over thirty years of experience in the utility and power sectors. He has been involved in a significant number of domestic and international utility acquisitions, "green field" developments and regulatory reviews for State and Federal regulatory bodies. Mr. Crisp has provided consulting services to regulatory agencies with the responsibility for electric, natural gas, and water utilities, local, state, federal and foreign governments, environmental protection organizations, domestic and international developers, electric utilities, and irrigation districts.

Mr. Crisp spent nearly twenty years with the Southern Company in all phases of that Utilities operation. During his tenure with Southern he completed major assignments including design, construction and operations of many of the current fleet of generating resources in the Southern portfolio including natural gas, coal, nuclear and hydroelectric generation. Prior to joining Southern Company, Mr. Crisp was employed with Arkansas Power & Light (now Entergy – Arkansas), in a similar capacity.
